Children Count on All of Us – Will You Help?

I have had the great privilege to work with children and families during most of my life. A child's world has changed during those years, but our responsibilities to them have not changed. Children need love and opportunity, support and direction, emotional growth and stability. Sadly, many children don't have these needs fulfilled.

It is these children that Devereux Florida works with. The child who is neglected, abused, has serious emotional difficulties, or has been abandoned by all needs a positive helping force in his or her life. Devereux is that force. As the largest non-profit provider of behavioral health and child-welfare services to children in Florida, we know what to do.

Either as a business or individually, you can join in this fight to help children overcome these problems and succeed in our community – much like you have done. Your involvement with Devereux gives you the opportunity to support the largest non-profit organization in central Florida. As a business, supporting the **3rd annual Matthew Development Golf for the Kids Tournament** at the Villas of Grand Cypress Golf Resort gives you excellent exposure to the media and other business organizations.

By becoming a Devereux supporter, your contributions will help with projects such as the construction of a six-bed shelter for abused or neglected children in Orlando, or to assist with our Children's Benefit Fund that supports all of our kids to participate in extra-curricular activities which builds self-esteem, or to help provide new programs and services to meet the needs of the children in our community. Please review the attached sponsorship and registration information and make a decision to help children – they will succeed because of you!

Sincerely,

Michael C. Becker
